

BOGOHO DCS and QCS part repairs*

Extended through April 15, 2016

3BUS095382 2016

Send in your qualified ABB industrial control part repairs at the normal, low list price, and ABB will repair a second part of equal or lesser value at 50% off the normal repair service list price*.

Includes Symphony Harmony, MOD 300, Advant Master, Advant MOD, DCI System 6, QCS and other product lines.

Why send your part repairs to ABB?

- Only the ABB repair center can update ABB heritage system parts to the latest firmware, and deploy other Engineering Change Notices
- Increase your number of working spare parts at a fraction of the cost
- Trusted quality from a qualified OEM source
- Industry leading 2 year warranty on all repairs

Order using code BOGOHO

Call today to determine part eligibility, or order your free 'Repair in box' packages. Knowledgeable, friendly ABB customer service team members will help you save on repairs for your automation system.
