

# Industrial-focused roadshow trailer Medium Voltage Products

The ABB Medium Voltage Industrial Roadshow is comprised of a trailer full of MV switchgear and supporting products. This 54' truck and trailer combination can be scheduled to specific locations throughout the contiguous U.S., providing an engaging, hands-on experience to customers interested in learning more about ABB products and solutions. ABB displays the equipment listed below on the trailer for product demonstrations. Contact your ABB representative to discuss a trailer stop to support your specific customer opportunity.

## Products on display

- SafeGear®
- ReliaGear™ ND
- Is-limiter
- UFES
- AMVAC™ 27 kV
- Relion® relays
- Instrument transformers
- Sensors

## Trailer features

- 21' awning with side entry
- Climate-controlled interior
- Entry ramp/handicap accessible
- Glass entrance door
- Interior lighting ensures full visibility of equipment
