Trusted by
generations of electricians

ABB

The **quality** and **reliability** of our metallic boxes have made **Steel City the number one** choice for contractors and electricians around the world. No jobs are too big or too small for our boxes.

From switch box, to octagonal, square, fan, floor, utility, fire alarms... gangable or not... **we have the box for your needs!** Made in several countries around the world, to meet the needs and certifications of your local markets.
