

## Recommended spare parts

### UniGear ZS1

	Code	Description	I&C	2-5 years	10 years
LV compartment	Project based (switchgear serial number required)	MCB miniature circuit breakers	•	•	•
	Project based (switchgear serial number required)	Pushbutton	•		
	Project based (switchgear serial number required)	Signaling lamps	•	•	•
	Project based (switchgear serial number required)	Auxiliary relays		•	•
	Project based (switchgear serial number required)	Rotary switches	•		
	1000065009	Handle DOUBLE BIT 3MM	•	•	•
	1000032826	Heater 30W AC240V	•	•	•
	Project based (switchgear serial number required)	Internal light for LVC	•	•	•
	Project based (switchgear serial number required)	Protection relays			•
CB compartment	Project based (switchgear serial number required)	CIRCUIT BREAKER-VD4, HD4,VMAX ect.			•
	1VL3402000R0104	UniCare Service Kit Box for UG ZS1 CONF. (spare parts for CB)	•	•	•
	1000058760	Handle DOUBLE BIT 5MM	•	•	•
	Project based (switchgear serial number required)	Door handle	•	•	•
	Project based (switchgear serial number required)	Circuit breaker push button with closed door		•	•
	E6541521104	Heater 50W AC240V	•	•	•
	Project based (switchgear serial number required)	Male (fixed) contact for circuit breaker			•
	Project based (switchgear serial number required)	Spout (bushing) for fixed contact			•
	Project based (switchgear serial number required)	Lever mechanism for shutter			•
	Project based (switchgear serial number required)	Shuter upper/lower			•
	Project based (switchgear serial number required)	Interlock of CB door			•
Cable compartment	1000058760	Handle DOUBLE BIT 5MM	•	•	•
	E6541521103	Heater 100W AC240V	•	•	•
	Project based (switchgear serial number required)	Hygrostat/thermostat	•	•	•
	Project based (switchgear serial number required)	Surge Arrester			•
	Project based (switchgear serial number required)	Insulating covers for cable connection 17,5/24kV			•
	GCE9401766P0101-7	Blocking magnet RL3 for earthing switch	•		•
	GCE7109399R0106	Auxiliary contacts for earthing switch 5NC	•		•
	GCE7109399R0101	Auxiliary contacts for earthing switch 5NO	•		•
	GCE7000830R0143-6	Motor drive for EK6		•	•
	Project based (switchgear serial number required)	Earthing switch			•
	Project based (switchgear serial number required)	CTs			•
	Project based (switchgear serial number required)	VTs			•
	Project based (switchgear serial number required)	Fuse for VTs	•		•
	Project based (switchgear serial number required)	Cover for busbar 17,5/24kV	•		•
Accessories/ Spare parts	Project design dependent/ switchgear serial number specific	Busbar partitioning- (bushing)	•		•
	E5000724900	GREASE ISOFLEX TOPAS NB 52		•	•
	1000317410	UniCare Tool Box for UniGear ZS1	•		
	1VL7605532R0101	ITH limiter-BB/CB/CABLE compartment	•		•
