

L&W PPS Master Kit – the calibration tool for your new L&W PPS Tester is included in the delivery!

In order to ensure that your L&W PPS Tester gives traceable measurements we include the L&W PPS Master Kit in the delivery of your new L&W PPS Tester. By the L&W Master Kit you can fast and easy verify you're your PPS measuring head is in proper condition.

The L&W PPS Master Kit comprises:

- Three sets of paper sample with well specified PPS surface roughness levels. Each set contains 10 paper samples with a measured roughness of about 0.7 µm, 1.7 µm and 4.1 µm.
- One backing holder with a soft backing mounted
- One measuring protocol
- Operation instructions

L&W encourage you to take this opportunity to make yourself familiar with the L&W PPS Master Kit

We hope that you will appreciate the advantages

- Traceable calibration paper samples
- Soft backing included
- Three different roughness levels

You are entitled to receive three more sets of the L&W PPS Master Kit, one set every three months!

However, we need your full address details in order to send these L&W PPS Master Kit to you.

Please fill out the Customer record enclosed and send this to your nearest Lorentzen & Wettre representative.

We will then send the next L&W PPS Master Kit soonest possible.

Yours sincerely

L&W PPS Master Kit 116 Subscription Agreement No

Between **ABB AB/Lorentzen & Wettre, Box 4, 164 93 Kista, Sweden** and **The Customer**, the following agreement regarding distributing **L&W PPS Master Kit 116** is valid.

§ 1

Lorentzen & Wettre will quarterly, **the first week in February, May, August and November**, ship one set of the L&W PPS Master Kit to the delivery address and under a reference specified by the customer. In total four kits a year.

§ 2

The price for one year subscription is EUR **1650,-**, CIP the customer, but excluding VAT-expenses and other Taxes.

§ 3

The amount under § 2 shall be paid in advance, within 30 days from the invoice date.

§ 4

This agreement is automatically prolonged. Cancellation shall be in writing with at least two month's notice before the next period of four shipment of samples begins.

§ 5

The agreement is binding for both parties after having been signed. However, ABB/Lorentzen & Wettre reserve the right, once a year, to make price-adjustment, which will be announced to the customer at least two month before coming into force.

Two originals of this agreement have been signed and exchanged between the parties, and both parties declare themselves satisfied with the content.
