

## Course description

# G6561e

# ACS880-M04 technical details, Internet course

### Course type

Internet course

### Course Duration

The course duration is approximately 10 minutes.

### Course Goal

The goal of this course is to understand the basic technical details of ACS880-M04.

### Student Profile

This course is for anyone selecting or dimensioning ACS880-M04 or wanting to know in technical detail what options, powers and voltages are supported with ACS880-M04.

### Prerequisites

- An Internet connection. The recommended browser is Microsoft Internet Explorer.

### Course Objectives

Upon completion of this course, students will be able to describe:

- Basic technical details
- Available options
- Mechanical dimensions

### Main Topics

- Frame sizes and ratings
- Basic data
- Mechanical data and options
- Standard interfaces
- Dimensions and weights
- Automation software
- Drive software
- Drive options
- Installation and system solutions
- ACS880-M04 machinery drive catalog

### Low voltage drives training
