

Declaration of Conformity regarding the REACH Regulation

Dear Customer

With reference to the Regulation (EC) N° 1907/2006, issued by the European Union for the Registration, Evaluation, Authorization and Restriction of Chemicals (REACH), please be aware that:

With reference to the Regulation (EC) N° 1907/2006, issued by the European Union for the Registration, Evaluation, Authorization and Restriction of Chemicals (REACH), please be aware that:

- ABB products do not intentionally release substances meeting the criteria as described in Annex XIII of the EU regulation 1907/2006.
- During normal and reasonably foreseeable conditions use, Din Rail components for Low-Voltage installation and related accessories manufactured by ABB S.p.A. HUB BU DIN Italy do not intentionally release any substance or preparation;
- According to our current best knowledge, component Din Rail for Low-Voltage installation and related accessories manufactured by ABB S.p.A. HUB BU DIN Italy do not contain in excess of 0.1% w/w Substances of Very High Concern (SVHC) listed in the "Candidate List" on today's date, as from ECHA decisions.
- ABB S.p.A. HUB BU DIN Italy continuously undertakes communications throughout the supply chain in order to collect information about suppliers' compliance with the REACH Regulation.

- A substance on its own, in a preparation or in an article, for which Annex XVII contains a restriction shall not be manufactured, placed on the market or used unless it complies with the conditions of that restriction. We declare that the product does not contravene the restrictions in Annex XVII.

In the event we discover the presence of SVHC substances exceeding 0,1% w/w, we will inform you according to the requirements of the REACH.
